

November 2nd-3rd 2022

Young Generation

www.nucdecon.com

DECON – International Conference on Nuclear Decommissioning and Waste Management. It's an online event, which brings the nuclear community together, this year focusing on the digital transformation & competence maintenance.

Meet the Decision Makers

An extra session offers the young generation the opportunity to get in touch with representatives of the nuclear industry, gain new contacts and an insight into everyday working life.

Take Part & Win The Poster Award

Present your project in our poster hall. Be one of the **Top 16** and get a live session with the professional audience. Be within the **Top 3** and win the poster award. Find out more on our website.
